TESTIMONIALS

It's a thought provoking wide angle view of Diversity and ultimately our attempt at Inclusion.

Sonya Bethea HR Mgr, Fortune 100 Company

Enrique describes very well the differences among human cultures, religions, beliefs and behaviors showing that there is no one "right" way, but many, according to the view point of each individual.

Jean-Michel Durr Chief - Demographic Statistics Section, United Nations

'Discriminate or Diversify' is a must-have reference for anyone who wants to improve his or her personal and professional relationships.

Janet Crenshaw Smith President, Ivy Planning Group

Anyone that is truly serious about understanding the world around them and learning to appreciate the unique values and experiences of others would be best served by starting with this book.

Jim Stevens Fortune 100 Company, Engineering and Operations Sr. Manager

Uncover the diamonds, and the radiance, within your organization!
